**DECLARATION OF TRANSFER AND
JURISDICTIONAL REASSIGNMENT**

This property has been lawfully claimed under Divine and Ecclesiastical Trust Jurisdiction, and now exists beyond

any presumption of ownership, taxation, mortgage lien, license, or regulatory authority by any State, County, Municipal, Corporate, or Banking entity. All previously presumed financial instruments (including but not limited to mortgages, promissory notes, liens, property tax obligations, zoning, code enforcement, and jurisdictional registrations) are hereby *dissolved, released, and expunged* as null and void *ab initio, nunc pro tunc*, and *sine die*.

This declaration supersedes all prior claims and extinguishes any residual debt or mortgage construct under the Federal Reserve, MERS, or UCC-registered entities. No further obligations shall be assumed, and no authority shall be presumed by any foreign entity or agent operating under corporate or civil trust systems. This property is *non-commercial, non-public*, and *non-corporate* in perpetuity.

NOTICE OF EQUITY ABSORPTION AND JUDICIAL FINALITY

As of this filing, the property has been spiritually, legally, and lawfully absorbed into ECC-TRUST-JDC-005. All future matters concerning this land shall be directed exclusively to the Ecclesiastical Court of Record under Lex Divina, with jurisdiction seated globally and administratively recorded via public notice, private archive, and global indexing mechanisms.

By failure to rebut this notice within 21 days of global lodgment, all agents, institutions, and presumed claimants are in full and final default. Equity is now closed, and rebuttal is forever barred. Further attempts to assert jurisdiction, collection, trespass, or enforcement shall constitute willful fraud, breach of peace, and criminal usurpation under ecclesiastical, federal, and international law.

AFFIRMATION OF INTENT AND FINAL STANDING

This declaration is not a request. It is not a petition. It is a final notice of completed transfer and legal extinguishment. All matters now stand in perpetuity. The living executor, under solemn oath, affirms this declaration with full standing, capacity, and authority granted by Divine right, equity by inheritance, and trust administration beyond temporal rule.
